As a salesperson, you must complete 16 hours of Continuing Education (CE) credit to renew your license every two years.

Eight (8) of these Sixteen (16) hours must be in these mandatory topics: • Agency (1 hour minimum) • Contracts (1 hour minimum) • Ethics (3 hour minimum) • Fair Housing (2 hour minimum) • Law (1 hour minimum)

The remaining eight (8) hours may be any topic of interest to you that carries Continuing Education (CE) credit. Although you can repeat topics, you may NOT repeat a class with a course number that has already been taken. If this were to happen the repeated course will fall under surplus hours.

If you have any questions about these requirements, please contact our Education Department at 703-565-0033 x206.
