These top agents have reached a high level of achievement set forth by criteria and guidelines, through professionalism, due diligence, customer care and attention, and a strong knowledge of the real estate industry. In order to be eligible for the *Top Producer* award, a REALTOR® must be a current member of PWAR, be affiliated with an Association member firm in good standing, and attain certain designated goals of salesmanship. Sales were calculated from Jan. 1 to Dec. 31 of any given award year. Each year, hundreds of REALTORS® apply for these awards, which symbolize their hard work and dedication to the real estate industry.

REALTOR® Association of Prince William (PWAR) is the largest professional trade association in the Prince William County, representing approximately 2,000 REALTORS® engaged in the residential and commercial real estate business. PWAR serves as an advocate for homeownership and homeowners and represents the interests of property owners in Prince William County and the Commonwealth of Virginia.

Note: The term REALTOR® is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS® and subscribes to its strict Code of Ethics.
