

September 2021

This monthly newsletter is designed to provide you with a resource to share with agents in your office on what's upcoming at the Association. Whether agents need to complete continuing education or post licensing credits, want to get more involved in the community or are looking for networking opportunities, this newsletter will provide relevant information and more.

September is Realtor Safety Month

As a REALTOR®, it's important you have a personal safety protocol in place that you use every day with every client, like when meeting new clients, showing properties or sharing information online. There are a variety of tools you can add to your personal safety protocol, such as the smartphone apps and safety products listed [here](#).
