FREQUENTLY ASKED QUESTIONS

What's the difference between primary membership and secondary membership?

Primary members are considered the responsible contact for their office location and are typically the first person from their location to join. Any additional individuals from the same office location that would like to join can do so as a secondary member for a slightly lower rate. If an individual from the same company but different office location would like to join, they would be considered a primary member and would be the responsible contact for their office location. Only individuals that are primary or secondary members can attend PWAR activities unless a non-member rate is available.

How much does it cost to join?

Our dues are billed on a calendar year so your cost will depend on when you submit your membership application. Dues are pro-rated quarterly and the current dues rate table can be found on the application. A one-time administrative fee applies per applicant. As long as your membership is consecutive, you will not be charged this fee again.

What sponsorship opportunities are available to me?

Throughout the year, PWAR has many sponsorship opportunities available for various classes and networking opportunities. For some events, sponsorship packages offer a variety of tiers that fit in your price range. Some opportunities are exclusive to one company. Sponsorship opportunities will be emailed out in a timely fashion as events and classes are scheduled. These opportunities are also brought to Affiliates attention during monthly Affiliate meetings. These include but are not limited to: Annual Awards Gala, Annual Fall Conference, Installation of Officers and Directors, YPN Happy Hours, New Member Orientation breakfast, Affiliate Meet & Greet, Lunch & Learn seminars, professional development, etc.

How do sponsorship opportunities benefit me?

The benefit of sponsoring an event or class brings your company name in front of REALTOR members. Your logo is included in promotional materials, on the website and on-site materials. Many sponsorships have speaking opportunities in front of the group as well. Through sponsorship, you have valuable face-to-face interaction with REALTOR members to create brand awareness and help your company stand out from your competitors.

What committees can I join as an Affiliate member?

Every Affiliate member holds a spot on the Affiliates forum which meets the second Thursday of every month at 9:00 am. Affiliates are also able to join the following committees: Awards, Community Outreach, Legislative and Your Professional Network (YPN). To learn more about each committee, please visit www.pwar.com/committees.

How do I get started?

All you need to do is complete the membership application on the last page and remit with payment. You can fax the application to 703.565.0039 with credit card authorization form or mail it with check (payable to PWAR) to our office. Once your application has been approved, our Membership Director will reach out and then you can submit your company logo.
