PWAR Members may not recruit other PWAR members at PWAR events with respect to licensed agents. PWAR Affiliates will receive notice of sponsorship via e-mail and print at the start of the 15-day period. PWAR Affiliate members will have an minimum and automatic 15-day advance purchase period prior to all events. After the 15-day advance purchase period, Non-Member sponsors may be solicited and will be offered the opportunity to purchase at a higher price. New sponsorships will be offered to PWAR Partners for 30 days and then open to PWAR Members. PWAR events, education seminars and printed and electronic communications may not be used for the purposes of recruiting REALTORS® or other licensed staff members. The only source for recruiting offered by the association is the online job board which can be used to recruit non-licensed positions only.
